

As per the WaterRA Constitution, nominees for the position of Board Director must be endorsed by two other members.

- Utility/Industry Director nominations must be endorsed by an Industry Member.
- University/Research Director nominations must be endorsed by a Research Member.

Note:

- One of the endorsing Members may be the organisation that the Nominee is employed by.
- The endorsement will ideally be signed by the Member Representative of the organisation.
- Electronic Signatures with accompanying date stamp are recommended.
- The completed endorsement should be submitted with your online nomination form.
